Dear Mr. Yap:

Please find enclosed an amended July 15 Quarterly Report for Costello for Congress, ID#238444 in response to your inquiry.

The contributions in question were made and received after the March 17th primary and were undesignated and therefore should have been applied to the general election. Due to a computer entry error, they were entered as being counted towards the primary election.

If you would need any further clarification, please contact me at 618/387-9599. Thank you for your assistance in this matter.

Sincerely,

Mary Shalapin
